Prashant Rao Gunjal

Full Stack Web Developer

ABOUT ME

Adaptable and responsible web developer capable of writing production-ready code using HTML, CSS, JavaScript, React.js on the front-end and NodeJs, Express.js on the back-end to build single-page applications. Looking forward to work in a fast-paced environment and playing a key role in a company's growth. Hope to work in a challenging environment as a specialized MERN stack developer.
